August 2012—Editor's notes

As I write, London is braced for the likely disruption of the Olympic Games. By the time this issue of the Observer hits your doormats I will have completed 5 shifts as a volunteer Olympic driver with 7 more to go. That is assuming I don't get totally lost and spend days circling the M25! As a volunteer I seem to have become an ambassador for the Games fending off criticisms re traffic jams, car lanes, waste of money etc. All are entitled to their opinion. I have my own.

Opinions came to the fore at this month's parish council meeting due to the anticipated impact of the proposed expansion of the Fourayes Farm business. Change affects some people more than others and opinions were aired at this packed meeting.

This month also brings:

Regulars: St Mary Magdalene and South Green Service dates; Gardeners; W.I.; Poet's Corner; Puzzle Corner plus (*new*) Wordsearch

Reports from: Draw Results; Cricket match report

Notices & Dates: Library, Stockbury Cricket fixtures (Aug-Sep) & Coaching dates; Community Bus schedule; Soul Mates; Dogs on Playing Field; Affordable Housing; Fourayes Farm

Summertime

By John Cockett

August starts the summer holiday
When families pack their bags to get away

And school teachers said 'hip hip hooray'
No more children for many a day!

When young, the days seem to be so very long
But marvel at how fast the weeks have gone.

Children dread having to remember
The new school term starts in September!

MATCH REPORT

Played on 22nd July at Home

by Dan Bulbrook

The first real summer's day of cricket this season saw Stockbury take on Upchurch CC in a KVCL fixture.

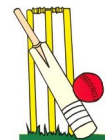

Stockbury won the toss and elected to bowl first on a pitch which remained fairly damp due to the substantially wet month of July. This looked like the right call as Upchurch found it difficult to score freely, although this was mainly due to the excellent fielding of Stockbury.

A devastating spell of bowling from Tom Bulbrook (6-22) and tight bowling from Hal, Joe and Simon helped bowl out Upchurch for 117 to pick up a well-deserved bowling point.

The bowling of Upchurch was just as tight, as Stockbury lost early wickets quite cheaply, despite a battling 19 from Simon and a brave attempt of a counter from the captain Tom (28), Stockbury were eventually bowled out for 87 in a rather competitive game, as Upchurch were able to defend their total.

On the 19th June we were pleased to see May back with us after a spell in hospital. Members enjoyed a Beetle Drive, won by Pam with Dave collecting the booby prize.

Rosemary and Shirley attended the Parish Assembly with a collection of photographs spanning 47 years, including the first set on minutes. 23 members made their way to the Rose & Crown on the 3rd July. A variety of menus had been chosen and enjoyed by all. Thank you to the staff for a memorable evening.

Our next meeting on the 7th August will be in Rosemary's garden (Please, no thunderstorms)

Stockbury WI

Our meeting this month was taken by Mrs Julie Laming as Mary Clarke was away at Denman College for the week.

So thank you to Julie for stepping in. Our speaker was Mr G Jones to talk about Military Medals and he was very interesting. Some of us took along medals for him to look at and he told us exactly what each of them were and what war it was for etc.

On 12th July, some of us went to Westwell, our link WI, on the Stockbury Mini Bus with Fiona driving us. We were all looking forward this evening because it was a talk on chocolate. It was a brilliant evening and we were very well looked after by the Westwell Ladies. There was lots of chocolate to taste and as one lady told the speaker he really looked good for all the tasting of chocolate he has to do! All in all we had a really good night out I would like to take the opportunity to thank Fiona for taking us all out in the bus. She did not know what she was letting herself in for but I think she enjoyed the evening!

Kent Show 2012

This year was the twenty fifth time that I have had the pleasure of judging Sweet Peas at the Kent Federation of Horticultural Societies' exhibition as part of the Kent Show.

This season, as we all know, has been very difficult for gardeners, but I was pleased to see around forty vases of Sweet Peas as well as a dozen very pretty bowls. Having assessed the merits of the various entries, I then had then tasking of finding the best vase.

For the very first time, I decided that this should be awarded to the winner of the novice exhibitor class; a very good vase of 'Gwendoline' and 'John Gray' Sweet Peas – and the winner turned out to be none other than our own Lex Levermore!

So many congratulations to her, she should feel very proud of her achievement – best Sweet Peas in Kent.!

I should like to add my congratulations also to Lex and Chris and Diane Spree for their prize winning entries in a number of the other classes.

DOG MESS ON PLAYING FIELD

Whilst most dog owners are responsible and pick up their dog's mess, there are still a few who do not. Last week there were 3 instances of large amounts left close to the cricket square. This is extremely unpleasant for everyone and also a health hazard to the large numbers of us who use the field on a regular basis, especially the cricketers.

We would ask ALL parishioners to keep an eye out for any dog owner who does not pick up and ask them to do so.

If the situation does not improve, the committee will ban dogs from using the area

Stockbury Parish Council Affordable Housing

The parish council is pleased to announce that English Rural has now agreed the purchase of the land and that a local contractor, BW May, has been appointed to build the houses. Start on site is expected once the crops on the site have been harvested.

OIL BOILER SPECIALISTS

Can I just advise all home owners in and around Stockbury that
Oil boilers only need to be serviced once a year.

This will be news to some of you I'm sure.

A service should comprise of changing the nozzle,
replacing the flexible oil line,
changing/cleaning any and all oil filters,
removing all the baffles and
cleaning the INSIDE of the boiler.

Once this has been done and the boiler is rebuilt it should be fired
up and the emissions tested with a gas analyzer and the settings
adjusted to give you the most efficient boiler you can have.

It is your oil - burn it wisely.

Changing the nozzle and vacuuming out the front is not a service,
it is a rip off!

Call us and we will be happy to talk to you about our service with
only friendly advice and no selling.

Hello from the

Stockbury Cottage Gardeners

Our meeting in July was good. Ms Zara Evans came along and gave us some ideas about the Flora Art Exhibits for our Summer Show and it also gave the ladies of our club the chance to have a hands on workshop.

Our next meeting will be at the Harrow Public House to play Pétanque so I look forward to seeing you all there at 8pm.

The Stockbury Mini Bus is running an outing to Mount Ephraim on the 11th August which I would have thought our members would be very interested in so its first come first served so I would book your tickets fast before you miss out. The cost is £8.50 or £4.50 if you have a bus pass including

entrance fee. This is a really good value for money for the day out so I would not miss the chance to go if you can.

Don't forget in August it will be our Summer Show and we are already looking forward to seeing your entries. We want to show the villagers what we can grow, bake and arrange. We will be selling some of our plants and produce as normal and hope we can count on some support from the villagers just to come along have a look. You never know, we might even attract some new members.

August is usually one of the hottest months of the year - making watering essential. Try to use grey water wherever possible, especially as water butts may be running low if it has been a dry summer. August is traditionally holiday-time, so you might need to enlist the help of friends and family to look after the garden while you are away.

Top10 gardening jobs this month

1. Prune wisteria
2. Don't delay summer pruning restricted fruits
3. Deadhead flowering plants regularly
4. Watering! Particularly containers, and new plants - preferably with grey recycled water or stored rainwater
5. Collect seed from favourite plants
6. Harvest sweetcorn and other vegetables as they become ready
7. Continue cutting out old fruited canes on raspberries
8. Lift and pot up rooted strawberry runners
9. Keep ponds and water features topped up
10. Feed the soil with green manures

FOURAYES FARM

At the Parish Council meeting held on 18th July previous concerns were raised again on irresponsible driving of lorries going to and from the farm.

A spokesperson from Fourayes and the chairman of the Parish Council requests that if anyone witnesses unruly drivers who they suspect are driving for the farm, to please make a note of their registration number and other identifiers on the vehicle such as the company name.

Fourayes takes safe driving very seriously so would appreciate it if you phone them with these details on 01622 884230 and they will take the necessary action.

STOCKBURY COMMUNITY BUS

I have to confess to being a bit of a weather watcher these past few weeks ...ok, months! A trip to the coast on a balmy July day for the Oyster Festival in Whitstable seemed a good idea at the time but as the weeks past and monsoon conditions prevailed I began to have serious doubts. Where was summer? Then, a couple of days before our trip, the words heavy rain and showers were replaced in the forecasts by sun and blue sky and for once the weatherman got it right! We had a glorious day for our expedition and there were a few pink faces that made the journey home. We must say a big thank you to Ian, our driver for the day, who did a fabulous job in taking good care of us all.

We still have a few spare places on the bus for **Saturday 11th August** when will be visiting Mount Ephraim Gardens at Hernhill, if there is anybody that would like to join us. There are 10 acres of gardens to explore at Mount Ephraim, including a Japanese garden and a wildflower and grass maze to lose yourself in! The Woodrose tearooms offer a well earned cuppa and something naughty but nice to accompany it. Entry to the gardens is £5.00 for an adult or £2.50 for children aged 4-16 yrs. The admission price is **not** included in the cost of [the bus fare which will be £4.00 return unless you are in possession of a valid National Bus Pass](#). If you would like to visit the gardens with us, send an email to **communitybus-stockbury@hotmail.co.uk** or call me on **07551-454702** to book your seat. We look forward to your company.

On a final note, with the arrival of the school summer holidays, we would be happy to make additional stops at any of the local swimming pools, bowling alleys, skating rinks etc for all those bored school children looking for something to do. Any child under 14, however, must be accompanied by an older family member or responsible adult. Just ring the bus number to book seats or for any enquires.

Country Eye now operating in Stockbury and membership is free!

Country Eye is a scheme led by Kent Police and Kent County Neighbourhood Watch Association and is open to any individual, organisation or business, large or small, in Stockbury.

Sadly, the North Downs has had some heating oil thefts over the last few months. Kent Police believe vigilance and cooperation from locals is very important and a Stockbury branch of the County Eye will be a valued source of information.

It is important to report all suspicious incidents (however apparently insignificant they seem to you) - these can be as simple as cars parked in unusual places at strange times, or petty thefts - perhaps on the face of it not very important, but please give the Police notice of unwanted intrusions. If you have any non-urgent matters related to specific crimes at your premise, please call the Force Control Centre on 101.

PCSO Siobhán de Búrca and Neighbourhood Watch Liaison Officer Suzanne Daniell are currently setting up Country Eye in Stockbury.

Our aim is to promote rural safety, and reduce crime and the fear of crime by inclusion of all elements of the community. All members of the rural community are seen as partners in tackling issues such as rural crime, hare coursing and anti-social behaviour, along with other issues that have such a negative impact on quality of life.

What's involved?

Firstly, please contact PCSO Siobhán de Búrca on 07772 260 99 to receive an application pack. Membership is free and Siobhán is the main contact point from Kent Police in the area, so speaking to her

regarding local issues is a must!

PCSO de Búrca has found that visiting members of Country Eye during her patrols has had positive results regarding criminal activity. Recently, she visited a farmer who explained his concerns for his elderly parents. They nearly got conned by a rogue trader for more than £20,000. Fortunately, PCSO de Búrca spoke to the family and took details of their experience. She gave advice and training to their parents and also presented the case to Trading Standards officers. This stopped the rogue trader in his tracks.

Ms Suzanne Daniell and her team of volunteers are based at Maidstone Police Station, they circulate crime information and intelligence to all participating groups or individuals. As a member, you will receive emails from Kent Police detailing local crimes, which is a great way to know what areas are being targeted by thieves. If you do not have email it is possible to receive recorded phone or text messages. These messages detail when and where a crime took place, and gives the crime number, so that if anyone has further information on a particular crime they can report it. Country Eye also works with Trading Standards and can give up-to-date advice on scams used by criminals.

Country Eye will issue you with a regular newsletter (every 2 weeks) where you can learn of the success stories and campaigns that Kent Police is working on.

It is PCSO de Búrca's intention to hold a meeting in the village hall once we have a suitable number of members.
